FIREMAGIC

SAVOR THE MOMENT.

It's that special time of day—
that glorious hour at dawn or
dusk when the golden light
of the sun is just beginning
to rise or fall in the sky—
the magic hour when the
light is perfect and the world
around you is simply aglow.

But it's more than that. Most of all,
it's that moment—any moment in the
day—when you stop to notice just
how right everything is.

It's family and friends and the best of times spent together.
It's a walk on the beach, a swing on the porch, or a lazy nap
in the sweet grass with your son. It's a warm home, a cool
afternoon and great, great food. This is the magic hour and
it's made even more so with Fire Magic Premium Grills, the
essential centerpiece of your outdoor lifestyle that has set
the industry standard for more than 70 years now.

Magic times, great food and Fire Magic Premium Grills...

4:20 pm EDT

Somewhere off Florida's Gulf Coast—

It's the magic hour...

...the end to a perfect day—

...with the big one that didn't get away—

...and the celebration is just beginning.

A photograph of two men on a boat, smiling and holding a large fish. The man on the left is wearing a dark blue polo shirt, and the man on the right is wearing a light blue Hawaiian shirt with a palm tree pattern. The background is a vast blue ocean under a clear sky. A fishing rod is visible on the right side of the boat.
