

BORAL® BRICKS

BUILD WITH BORAL®

When it's as beautiful as Boral®, you know you've made the right choice. With 21 manufacturing facilities across eight states, we are America's largest brick manufacturer. When you choose Boral you get more colors, styles, and textures

to work with. The possibilities are endless, and every one of them is backed by Boral's renowned attention to detail and customer service. Visit your local Boral distributor or www.boralbricks.com and we'll show you the possibilities.

The plans
you make
should last
forever.

The Boral® Transferable Residential Warranty not only protects you for as long as you own your Boral brick home, but it even transfers to the second owner when you sell your home. It's really two lifetime warranties — one for you and one for the person who purchases your home.

This means you safeguard your most important investment now, and also add resale value for when the time comes to sell your house. It's the best warranty in the industry, and that's just what you would expect from Boral Bricks. So, protect your home. Protect your investment. Build with Boral®.

This literature is intended to generally show the color range of the featured product. Using print, photography and a limited number of bricks, it is impossible to show all colors, percentage of colors, texture and the harmless imperfections that may be contained in thousands of brick. Brick from different production runs may vary slightly in color range and texture. For more information, contact your Boral Bricks showroom or call 1-800-5BORAL5.
